DONATION AND SPONSORSHIP REQUEST LETTER

Dear Sir or Madam,

The North Delta Sunfish Swim Club has been an active participant in the North Delta Community since 1970. As one of the largest swim clubs in B.C., we have close to 200 members ranging in age from 5 to 18, involved in developmental and competitive swimming, water polo and artistic swimming. Membership is seasonal and open to everyone of which we aim to set affordable fees for our community.

Our philosophy has always been to encourage our members to reach their personal goals through a safe, structured and enjoyable program. For some members this means finally being able to swim a length of the pool without stopping and for others, it is to bring back medals from Provincial Championships. Former Sunfish members have gone on to become coaches and lifeguards, as well as compete for Canada at both the national and international level. Under the direction of an adult volunteer administration, the Club supports youth employment and mentorship and hires high school and university students to coach and lead our programs.

We are a non-profit society and in order for us to run our programs we depend on our members to participate in fundraising activities throughout the season. One of these activities is approaching businesses such as yours for donations and sponsorships. Your contributions to the North Delta Sunfish Swim Club will provide our team members and community with tremendous opportunities to get physical activity, become strong swimmers and competitors, be part of a team and potentially open up doors for scholarships, employment and above all, create a socially supportive network in which members can excel. Great coaching, equipment and pool time are the key to our success and we rely the community to help us provide our programs.

Each summer we are excited to host our annual North Delta Sunfish Invitational Swim Meet at the Sungod Recreational Centre. This year our meet will be held on **July 22-23, 2023**. This meet is one of the largest swim meets in the province in which we regularly anticipate hosting over 600 swimmers and their families from the Fraser South Region. We would like to take this opportunity to encourage you to consider supporting our Club and promoting your business. We have a variety of options starting with your logo advertised in our annual meet program, mentioned throughout our annual swim meet and posted on our website. Each of these donations and sponsorships promotes your business to local families in our community. In addition to monetary donations, in kind gifts can be used as prizes and are also appreciated.

For further information, please contact our Secretary at secretary@ndsunfish.com .

Thank you for your time.
