

North Delta Sunfish Swim Club

The North Delta Sunfish Swim Club is a multi-discipline club in its 49th year of offering speed swimming, water polo and synchronized swimming to children from ages 4-17. We are a provincially recognized club affiliated with the British Columbia Summer Swimming Association.

The North Delta Sunfish will be competing in many Lower Mainland swim meets, water polo tournaments and synchronized swim competitions during the summer months of 2019, as well as host our own swim meet at the Sungod Recreation Centre in July. We are excited to be heading to various locations around the province for competitions.

Our success in the pool has been growing over the past few years. We have managed to have qualifying swims at the Fraser South Regionals enabling us to send members to the BCSSA Provincials. The North Delta Sunfish has podium placements in all 3 of our disciplines every summer.

Your company can help us get these young athletes ready for the season and support us in developing not only their skills in the pool, but continuing their love of sport and fitness. Your contributions will provide funding for travel, equipment, training and pool fees.
